

**DID YOU KNOW**

# You Can Save Money

with Community Solar?

YOUR NEIGHBOR'S SOLAR

YOUR SOLAR

**NO PANELS TO BUY OR INSTALL**

**NO CHANGE TO YOUR UTILITY**

**NO COST TO JOIN OR CANCEL**

**WORKS FOR APARTMENT RESIDENTS & HOMEOWNERS**

**WORKS WITH 3RD-PARTY ELECTRIC SUPPLIERS**

**SAVE ON YOUR ELECTRIC COSTS EVERY MONTH**

## Save up to 25% on your electricity costs

and power your home or apartment with clean energy from a shared solar farm located right here in Maryland.

In 2017, Maryland's state legislation made community solar possible for any resident who pays an electric bill. It's a program supported and encouraged by your county and utility provider.

Join the thousands of residents who are taking advantage of reduced electricity costs through community solar.

Certified

Corporation

*We're proud to be the highest-ranked Certified B Corporation in the community solar industry. We put our communities & planet first.*
